Journal Outreach Manager – Physical Sciences (f/m/d)

Warsaw | Full-time employee | Aug 1, 2025

This role contributes to the growth of our Open Access journals portfolio. In your role as Journal Outreach Manager – Physics, Chemistry, Material sciences, you will be responsible for supporting OA journals in Physical Sciences portfolio in expanding their reach and impact. You will be proactively building the relationships with stakeholders – editors, authors, reviewers and potential readers, managing and overseeing the development of these journals to deliver sustained growth. It is a customer-facing relationship management position, working with academics and societies. This is a permanent position.

Your tasks

- Support the growth of OA journals in Physics, Chemistry, Material Sciences.
- Build and manage relationships with editors, authors, reviewers, and academic partners.
- Drive submissions and journal visibility through outreach and promotion.
- Monitor performance and support editorial strategy.
- Collaborate with internal teams to ensure smooth journal operations.
- Represent journals at academic events and conferences.

Your profile

- An academic degree (preferably in the relevant field), PhD will be an asset
- Networking and effective collaboration with researchers worldwide
- Previous experience managing or developing journals
- Thorough understanding of editors' and authors' needs in their publishing activities, specifically open access
- Outstanding communication and organizational skills, particularly with regard to meeting deadlines and prioritizing tasks

- Stay informed on trends in Open Access publishing.
- Experience in academic teaching or research will be a plus
- Professional computer skills (standard office software)
- Excellent written and spoken English is essential

We offer you

- An exciting professional challenge for one of the innovation drivers of the publishing industry
- Family-friendly working time model, remote work to support a healthy work-life balance, alongside additional leave days
- Extensive benefits and allowances for a healthy, balanced life
- Development budget and opportunities for training and personal development
- Passionate colleagues in diverse, international teams; joint team events and company parties

At De Gruyter Brill, we are dedicated to diversity, equal opportunity, and building an inclusive culture where everyone belongs. We believe in individual potential, so please apply even if you don't meet every requirement—passion and a willingness to learn matter as much as qualifications. We look forward to hearing from you!
