Studentische Aushilfe UX Support (m/w/d)

Berlin | studentische Aushilfe | As of now

As a Working Student in UX Support, you will support our UX Design Team in the further development of digital products and our content platform. Your main focus will be on AI-powered frontend testing, particularly visual end-to-end and accessibility testing using agentic AI tools such as Claude Code.
In addition, you will contribute to user research and UX design activities while gaining practical experience in a diverse, user-centered working environment.
The position involves 20 hours per week and is a fixed-term contract until September 30, 2027.

Your Tasks

- Supporting the AI-driven development of a frontend testing environment, including tools and frameworks.
- Assisting with user research activities, including usability testing, surveys, and interviews.
- Conducting visual end-to-end testing to ensure consistency of the user interface and user experience across different devices and platforms.
- Supporting the development of design guidelines and design systems to

Your Profile

- Currently enrolled in a relevant degree program, such as Computer Science, Human-Computer Interaction (HCI), Information Design, or Psychology.
- Strong interest in AI, UX Design, User Research, and Quality Assurance.
- Familiarity with frontend technologies such as HTML, CSS, and JavaScript.
- Experience with agentic AI tools such as Claude Code or Codex is an advantage.
- Strong attention to detail and the ability to work independently.

maintain consistency across digital products.
- Conducting AI-assisted accessibility testing to ensure compliance with accessibility guidelines and standards such as WCAG 2.1.
- Analyzing test results and collaborating with the UX Design Team to resolve issues and bugs.
- Participating in design reviews and providing feedback to improve the overall user experience.

- Excellent communication and teamwork skills.
- Fluency in English, both written and spoken. German language skills are an advantage.

What We Offer

- An exciting professional opportunity with considerable creative freedom at one of the innovation leaders in the publishing industry.
- An hourly wage of €16.00.
- Family-friendly working arrangements, flexible working hours, and flexible remote-working options to support a healthy work-life balance.
- Generous annual leave and additional special leave days.
  Passionate colleagues in diverse, international teams, as well as shared team events and company celebrations.

At De Gruyter Brill, we are committed to diversity, equal opportunities, and an inclusive company culture in which everyone feels welcome.
We believe in individual potential and therefore encourage you to apply even if you do not meet all the requirements. Passion and a willingness to learn are just as important as qualifications.
We look forward to receiving your application!
